IN THE HIGH COURT OF JUDICATURE AT BOMBAY

ORDINARY ORIGINAL CIVIL JURISDICTION.

GUARDIANSHIP PETITION No.39 of 2006.

MRS. RAMA SIVAN ..PETITIONER.

Mrs. S. A. Dhamale, Advocate for Petitioner.

CORAM:S.C.DHARMADHIKARI,J.

DATED: 2ND AUGUST,2006.

P.C.:-

1] Perused the Petition and the annexures thereto. In an unfortunate accident, the father as well as the mother of the minor have died, so also the aunt. The petition is filed by the qpaternal-grand-mother. The paternal grand-father is also not alive. The paternal grand-mother is looking after the minor and has taken the minor in her care and custody. She is ready and willing to act as guardian without any security and remuneration. There are no close relations of the minor after the above unfortunate accident.

2] The grand-mother has given the necessary

declaration on oath. There is due compliance with the provisions of the applicable Statute.

3] The petition is, therefore, made absolute in terms of prayer clause (a) to (d).

4] Since the appointment is in the interest and for the welfare of the minor, it would be open for the Petitioner to apply for release of such amounts, as are necessary, to meet the expenses of education and health of the minor. Such application would be considered by this Court after receipt of an appropriate report from the Accounts Officer.

5] All concerned to act on authenticated copy.
